RE: Rollins Wind Project

Dear Ms. Maddox:

Attached for filing is a combined Site Location, Natural Resources Protection Act, and Water Quality Certification application, in three volumes, for the Rollins Wind Project proposed by Evergreen Wind Power III, LLC.

I am including the following copies with this filing:

- one complete copy of Volumes I and II, with a box of Volume III folded plan sheets
- sections 12, 13, 14, 19 and a rolled set of Volume III plan sheets (DWM)
- sections 11, 15, 16, 17, 20 (DEA)
- section 18 (BRWM)
- 3 copies of section 7 (IFW)
- sections 16 and 17 (DHHS)
- 6 pairs of CD's that include the entire application

Please let me know if you need any additional copies. As noted in the application, all three historical reports have been previously sent directly to the Maine Historic Preservation Commission for review. In addition, we are sending a three volume set and CDs of the application directly to the U.S. Army Corps of Engineers in Manchester, and the towns of Burlington, Lee, Lincoln, Winn and Mattawamkeag.

Finally, also included is a check for fees in the amount of \$14,401.91, broken down as follows:

NRPA fee	\$6,373.91
Site Location processing fee	\$5,352.00
Site Location licensing fee	\$2,676.00

Please contact me if you have questions as you conduct your completeness review.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Brooke E. Barnes". The signature is fluid and cursive, with the first name being the most prominent.
